February means the middle of winter and what seems a long wait for Springtime. I looked back at what I talked about in last February's newsletter, and the whole article was about Covid and the hope it would be gone soon. So much for that hope. It seems we are going through an even more difficult time with it. So many people have had their lives changed by this disease, either by contracting it, losing friends and family to it, or having to deal with the mental struggle that comes from worrying about it. How can we get back to normal, or is there going to be a whole new normal?

We have to continue with the work of the church, even during times of difficulty, and that means figuring out our new normal. Along the way, we will continue to be about the work you have already started. This month the coins for communion will help Samaritan's Purse, which is the group responsible for Operation Christmas Child. We all know the bills we have to pay, they are not fun, but if we want lights, we pay the electric bill. A little under 17% of all the money Samaritan's Purse goes to advertising and administration, and over 83% goes to ministry. This gift is our way of helping with that 17%, not glamorous, but it keeps everything working.

I have enjoyed the Women of Faith series from January, and in February, we will look at how we can be an influencer for Christ. Social media is full of people who are influencers, in the space they find themselves. Where are you today, and who can you influence, is the question we will answer together in February.

Until then, I'll see you in the mission field.

Yours in Christ,

*Pastor Paul*

### **Christian Symbol**

#### **VALLEY**

Valleys symbolize life's dark or low points; for example, Psalm 23:4 refers to "the valley of the shadow of death" (ESV). But valleys also symbolize people who find God's favor because they're lowly and meek. As a result, valleys can be places of blessing. God lifts his people out of despair and rewards their faithfulness. He also promises to "level" conditions by raising up valleys and bringing down mountains (see Isaiah 40:4).

### **Coins for Communion - February Samaritan's Purse**

St. Paul's UMC donates all loose change and bills in the Collection Plates during the first Sunday of each month to a specified mission. These "Coins for Communion" in February will go to Samaritan's Purse. If you are not at this service but would like to contribute, please send a check to the church office designating your donation or drop off your donation to the church office.

#### **The Mission Statement of Samaritan's Purse follows:**

*"Samaritan's Purse is a nondenominational evangelical Christian organization providing spiritual and physical aid to hurting people around the world."*

Since 1970, Samaritan's Purse has helped meet needs of people who are victims of war, poverty, natural disasters, disease, and famine with the purpose of sharing God's love through His Son, Jesus Christ. The organization serves the Church worldwide to promote the Gospel of the Lord Jesus Christ. We work in more than 100 countries, addressing critical needs such as food, clean water, shelter, and medicine. We also help hurting people in the United States, including wounded U.S soldiers and their spouses and homeowners devastated by natural disasters.

Charity Navigator, an organization that evaluates a nonprofit organization's financial health including measures of stability, efficiency and sustainability, accountability and transparency policies to ensure the good gives Samaritan's Purse a four-star rating—their highest. Samaritan's Purse is a 501(c)(3) tax-exempt charity.

# Prayer Ministry

## St. Paul's Prayer Ministry Team

The St. Paul's Prayer Ministry Team meets every Sunday morning at 9:30 a.m. in the Prayer Room at the back of the Sanctuary. During our prayer time, we lift the names of those on the prayer list to God as we "stand in the gap" between them and God.

This is not an ideal time for many people. Those conducting the service are busy. Other families are trying to just get to church on time, let alone early. Some can't get to Sunday morning services at all.

I have an option for anyone who can't join us on Sunday morning: pray at home or work. Our small groups could pray during their time together. Lift the names of those listed in the Sunday bulletin or pray by the categories of needs listed below, imaging God's light shining down on each person. Add the names of those known personally who need prayer.

We would love to have you join us on Sunday mornings. If you can't be there in person, please remember that wherever or whenever you have time to pray for those on our hearts, you become a member of St. Paul's Prayer Ministry.

## CSSTP Prayer: Technology Assisted Prayer

*By: Corinne Piper*

"Every time of prayer should probably start with a time of silence." Peter Greig as quoted by Jared Brock in [A Year of Living Prayerfully](#)

If you just groaned when you read that, you might be a CSSTP (a person who can't sit still to pray). Prayer might seem boring, torturous or impossible because you feel like you CAN'T turn your brain off long enough to focus so how can you have a conversation with God.

Here's an idea: try plugging in! One reason people with ADHD like technology is because what they are looking at is going as fast as their brains. Maybe, using prayer sites will help you stay focused.

### **Here are some ideas to pray using your device:**

1. Start with a time of centering.
2. Go directly to the site you wish to use (don't start surfing on the way)
3. Follow the site through your prayer time.
4. Come out of your time slowly and thoughtfully

### **Places to find inspiration or guidance:**

1. Any church website or YouTube with services
2. Sacred music sites with music that reaches you.
3. Prayer apps that will lead you in guided prayer, help with meditation, journaling, information and access to Bibles and commentaries.

Take a few minutes to center yourself, then open your computer and use it to have a conversation between you and God.

## **A Sampling of Prayer APPS:**

### **[Biblegateway.com](#)**

Hallow (a Catholic site that has guided meditation and prayer)

### **[Guideposts Magazine](#)**

**[Reimagining the Examen](#)** (a site to guide you through evaluating your day by focusing on different themes)

**[Insight Time](#)** (a site that has a timer to keep you on track while you meditate.

There are classes and guided thoughts that I haven't explored because as a friend has said "I don't need people I don't know inside my head.")

## **Prayer Room Information:**

The heat is on in the Prayer Room at all times. Please do not adjust the controls.

If you are still cool, there is a throw blanket you may use to stay comfortable.

The information to access WiFi while in the Prayer Room will be posted to allow you to use whatever technology methods you find helpful.

# Hymn History

## Since Jesus Came Into My Heart

Then Sings My Soul" Book 2, By Robert J. Morgan

1914

*Let not your heart be troubled; you believe in God, believe also in Me. John 14:1 (NKJV)*

Rufus McDaniel, born in rural Ohio in 1850, was licensed to preach when he was only nineteen. He was soon afterward ordained into the Christian Church and married. His blessings were tripled by the births of Clarence, Minnie, and Herschel. Clarence, the first born, followed in his fathers footsteps and became a minister in the Christian denomination. The daughter, Minnie, married an Ohio boy and lived nearby in Dayton. It was Herschel who broke his heart by his untimely death in 1913.

After Rufus had buried his son, he realized anew that joy and contentment cannot be based on human affection or external gift. They flow from an endless relationship with our Lord Jesus Christ. Out of that experience, he wrote, "Since Jesus came Into My Heart."

Rufus went on to pastor churches in Southern Ohio for many years before retiring to Dayton to be near his daughter. He wrote over a hundred hymns, but this is the only one that endured. It, too, would have been lost to us but for the great evangelist Billy Sunday, who counted it among his favorites.

This notice appeared among the obituaries in the *Dayton Daily News* on February 13, 1940:

### REV. MCDANIEL, NOTED WRITER OF HYMNS, DIES.

The Rev. Rufus H. McDaniel, 90, retired Congregational Christian minister, Died at 9 a.m. Tuesday at the home of his daughter, Mrs. Frank R. Liesenhoff...

He had been ailing for sometime, but had been seriously ill about one week.

The Rev. McDaniel, who celebrated his ninetieth birthday on January 29, composed and published more than one hundred hymns that have been used by all denominations, yet he received nothing in the way of cash remuneration. He was the guest on Ken Randolph's program over WHIO the day after he had celebrated his eighty-ninth birthday, and sang "Since Jesus Came Into My Heart,"

A hymn he wrote many years ago and which is now one of the best known of it's type in evangelistic circles.

## Poem

### THE TRINITY SNOWMAN

*When you see a snowman  
Three snowballs round,  
He is reminding you  
That in God, three in one are found.*

*The bottom reminds us of God the Father,  
Our strong rock and foundation,  
The Creator of all living thing's,  
People, tribes and nations.*

*The middle shows us God the Son  
With His arms spread open wide.  
Who died on the cross for each of us  
Our sins Jesus' blood did hide.*

*The head reminds of God the Holy spirit  
Who is our counselor and friend,  
He speaks to our hearts and minds  
Transforming us into the likeness of Him.*

*So when you see a snowman  
in the mist of all the wintertime fun,  
Listen carefully and he'll tell you,  
"Remember God is Three in One"*

## Crafty Creatures

### JOIN US!

**Looking for something fun to do? Come and see what is happening at our Craft Creatures group.**

If you love to crochet or knit, then consider spending one evening each week for laughs and fun, plus doing your own thing or you can help complete quilts. All you need to know is how to tie a knot; everything else is provided.

We meet on Wednesday evenings at Shirley Moser's home at 703 Sunnydale St. We begin at 6:30 PM and end at 8:30 PM. While working on our quilts and prayer blankets we share our joys and concerns, we take a little break to enjoy some goodies, and sometimes we have a short devotional time and end the evening with a prayer.

The mission of our group is to offer comfort, care, and love to those in need, both within our church and outside of our own church family. It's a way of showing God's love when someone feels lonely, loses hope, or just needs a little boost to their day.

We get as much blessing in giving out the quilts and prayer blankets as the person receiving them. Our group is amazing, and we have so much fun. We laugh together, sometimes we cry together, but we always support and love one another. We strive to do God's work through our mission to others and each other.

We welcome (young and old) to come and see for yourself how amazing this small group is, and how much fun we have. Remember, Wednesday evenings at 6:30 PM. For more information call Gail at the church at 419-339-3801 or Carole Grapner at 419-204-8806.

## Beyond Candy Hearts and Roses

The first half of February seems dominated by pink and red, cards and candy. But people not in a loving romantic relationship can sometimes feel left out of the festivities. Of course, all people need love — and certainly love is not limited to the romantic kind. Author Leo Buscaglia, who became known as “Dr. Love” for writing about the topic, said, “Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment or the smallest act of caring, all of which have the potential to turn a life around.”

Jesus taught that loving one another is second only in importance to loving God (Matthew 22:37-40), and that when we love one another, God lives in us (1 John 4:12). There are so many ways to do that — beyond candy hearts and roses! But Valentine’s Day is as good a reminder as any.
